## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors  
CASA of Los Angeles  
Monterey Park, California

### Report on the Financial Statements

We have audited the accompanying financial statements of CASA of Los Angeles (the "Organization"), which comprise the statements of financial position as of June 30, 2014, the related statements of activities, functional expenses and cash flows for the year then ended and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CASA of Los Angeles as of June 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Report on Summarized Comparative Information**

We have previously audited CASA of Los Angeles' June 30, 2013 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 30, 2013. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2013, is consistent, in all material respects, with the audited financial statements from which it has been derived.

**NOTE 1 – DESCRIPTION OF OPERATIONS**

CASA of Los Angeles, formerly known as Friends of Child Advocates (“CASA/LA” or the “Organization”), was established in 1983 as the fundraising arm to the Child Advocates program launched in 1978 by the Los Angeles Superior Court. This public-private partnership was one of the first five CASA programs in the nation with the mission of improving the lives of children in foster care. Since March 2010, CASA/LA operates independently as an entirely private, not-for-profit organization fully funded by community donations, its advocacy work made possible by hundreds of Court Appointed Special Advocate (CASA) volunteers supported by a small professional staff.

CASA/LA mobilizes community volunteers to advocate for abused and neglected children caught in the foster care system. A Court Appointed Special Advocate (CASA) is a volunteer appointed by a dependency court judge to represent and advocate for the best interests of an individual foster child. CASA volunteers work to deeply understand a child’s situation and represent his or her best interests to the professional group assigned to the child’s case. CASAs assist judges by gathering information about the welfare and needs of assigned children, communicating the children’s best interests to the court and following up to assure that court orders are met. In an ever-changing world of attorneys, social workers, teachers, therapists, doctors and foster parents, a CASA volunteer is often the only constant adult anchor and role model for the foster child. The impact of the program has been such that, in 2009, a California Blue Ribbon Commission on Children in Foster Care recommended that every child in foster care be assigned a CASA. CASA/LA’s vision is a Los Angeles in which every foster child has an advocate and the opportunity to thrive.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Presentation

The accompanying financial statements are presented using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Net Asset Classification

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

- Unrestricted net assets are either not restricted by donors or the donor-imposed restrictions have expired.
- Temporarily restricted net assets contain donor-imposed restrictions that permit the Organization to use or expend the assets as specified as the restrictions are satisfied, either by the passage of time or by actions of the Organization.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Net Asset Classification (Continued)

- Permanently restricted net assets (endowment funds) contain donor-imposed restrictions that stipulate that the resources must be maintained in perpetuity. Income from permanently restricted investments is recorded as temporarily restricted, except where the instructions of the donor specify otherwise and when appropriated for expenditure by the Organization. There were no permanently restricted net assets as of June 30, 2014 and 2013.

Contributions

Contributions are recorded in unrestricted net assets and are considered to be available for use unless specifically restricted by the donor. Conditional contributions are recognized as revenue and recorded in unrestricted net assets when the conditions on which they depend have been substantially met.

Unconditional promises to give (pledges) are recorded as receivables and contributions, distinguishing between contributions received for each net asset class in accordance with donor-imposed restrictions. An allowance for uncollectible contributions receivable is provided, if necessary, based on management's judgment, including such factors as prior collection history, type of contribution, nature of fundraising activity and when time requirements are expected to be met. There is no allowance recorded as of June 30, 2014 and 2013.

Occasionally, the County of Los Angeles receives juror fees donated by jurors who specify that these funds be contributed to CASA/LA. When received by CASA/LA, these funds are recorded as unrestricted income. This recording method is used because CASA/LA does not have an objective way to assess how much or when it will receive the funds prior to actually receiving the donations. Juror fees received during the years ended June 30, 2014 and 2013 totaled \$66,438 and \$58,009, respectively, and are included in individual contributions in the statement of activities.

Grants Revenue

Revenue from grants is recorded to the extent of expenses incurred applicable to the grant or contract. Any difference between expenses incurred and the total funds received (not to exceed the grant or contract maximum) is recorded as a receivable or an advance, whichever is applicable. Revenue from other grants is recognized on an accrual basis as earned according to the provisions of the grant. Provisions for potential disallowances and overruns are established when appropriate; no such provision has been recorded as of June 30, 2014 and 2013.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

In-kind Contributed Materials and Facilities

The Organization's facilities are located in the Ed Edelman Children's Court building in Monterey Park and the Alfred J. McCourtney Juvenile Justice Center in Lancaster. The facilities, including utilities, are provided by the State of California. The value of significant donated services and materials is reflected in the accompanying financial statements. Management estimates the fair value of such services at the date of donation. Materials and use of facilities contributions to the Organization are recognized and recorded at fair value as of the contribution date. Management estimates the fair value of materials and facilities to be approximately \$134,645 and \$150,663 for the years ended June 30, 2014 and 2013, respectively.

In-kind Contributed Services

The Organization's program services rely upon the extensive use of volunteer time. These volunteers receive specialized initial training and must fulfill ongoing continuing education requirements. Management estimates the fair value of those services to be approximately \$4,220,643 for the year ended June 30, 2014, consisting of \$4,115,362 for volunteer advocates and \$105,281 for shelter care/court assistant volunteers and \$3,044,697 for the year ended June 30, 2013, consisting of \$2,955,763 for volunteer advocates and \$88,934 for shelter care/court assistant volunteers. This has been calculated using the Independent Sector Volunteer Rate of \$26.34 and \$24.18 per hour for the years ended June 30, 2014 and 2013, respectively.

Gala Event

During the years ended June 30, 2014 and 2013, the Organization held a gala event which generated revenue from sponsorships, ticket sales and donations, as well as through a silent and live auction. From the event, revenue totaled \$1,004,333 and \$956,159, and cost of direct expenses totaled \$249,862 and \$226,762 for the years ended June 30, 2014 and 2013, respectively. Revenue for the event in the year ended June 30, 2014 included \$50,000 that was pledged in a prior year and is reported in the statement of activities as part of the net assets released from restriction.

Cash and Cash Equivalents

The Organization classifies all highly liquid investment instruments purchased with an original maturity of three months or less as cash equivalents.

Restricted Cash

Restricted cash is temporarily restricted cash whose use by the Organization has been limited by donor to a specific time period or purpose. The restricted cash balance included as cash and cash equivalent in statements of financial position was \$737,036 and \$474,594 as of June 30, 2014 and 2013, respectively.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Reclassifications

Certain prior year reported amounts have been reclassified to conform with the current year presentation.

Property and Equipment

Property and equipment are stated at cost, less accumulated depreciation and amortization. The Organization provides for depreciation and amortization of its property and equipment using the straight-line method over estimated useful lives of the related assets as follows:

Telephone and computer equipment	3 – 5 years
----------------------------------	-------------

The Organization capitalizes assets \$5,000 and over that meet the capitalization criteria.

Functional Allocation of Expenses

Expenses that can be identified with a specific program or supporting service are charged directly to the related program or supporting service. Expenses that are associated with more than one program or supporting service are allocated based on reasonable allocation methods determined by management.

Income Taxes

The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code (“IRC”) and Section 23701(d) of the California Revenue and Taxation Code. However, the Organization is subject to income taxes on any net income that is derived from trade or business regularly carried on and not in the furtherance of the purposes for which it was granted exemption. Management believes that the Organization has not received income from any unrelated trade or business, and as such, no income tax provision has been recorded on the Organization’s financial statements.

In accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic No. 740, “Uncertainty in Income Taxes” (“ASC 740”), the Organization recognizes the impact of tax positions in the financial statements if that position is more likely than not to be sustained on audit, based on the technical merits of the position. To date, the Organization has not recorded any uncertain tax positions. The Organization recognizes potential accrued interest and penalties related to uncertain tax positions in income tax expense. During the years ended June 30, 2014 and 2013, the Organization did not recognize any amount in potential interest and penalties associated with uncertain tax positions. The Organization is no longer subject to U.S. federal, state or local income tax examinations by tax authorities for years before 2009.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Concentrations of Credit and Market Risk

Financial instruments which potentially subject the Organization to concentrations of credit risk consist of cash and cash equivalents, accounts receivable, pledges receivable and grants receivable.

Cash and cash equivalents generally consist of cash held in one financial institution. From time to time, cash balances may exceed federally insured limits. The Organization has not experienced any previous losses in such accounts and believes it is not exposed to any significant credit risk on its cash and cash equivalents.

Recently Adopted Accounting Pronouncements

In October 2012, the FASB issued Accounting Standards Update (“ASU”) No. 2012-05, “Statement of Cash Flows (Topic 230): Not-for-Profit Entities (“NFP”): Classification of the Sale Proceeds of Donated Financial Assets in the Statement of Cash Flows” (“ASU 2012-05”), which requires an NFP to classify cash receipts from the sale of donated financial assets consistently with cash donations received in the statement of cash flows if those cash receipts were from the sale of donated financial assets that, upon receipt, were directed without any NFP-imposed limitations for sale and were converted nearly immediately into cash. Accordingly, the cash receipts from the sale of those financial assets should be classified as cash inflows from operating activities unless the donor restricted the use of the contributed resources to long-term purposes, in which case those cash receipts should be classified as cash flows from financing activities. Otherwise, cash receipts from the sale of donated securities should be classified as cash flows from investing activities by the NFP. ASU 2012-05 is effective prospectively for fiscal years, and interim periods within those years, beginning after June 15, 2013. Retrospective application to all prior periods presented upon the date of adoption is permitted. The adoption of ASU 2013-05 did not have a material financial impact on the Organization’s financial position, statements of activities or cash flows.

Depreciation expense totaled \$32,897 and \$18,119 for the fiscal years ended June 30, 2014 and 2013, respectively.

**NOTE 5 – LINE OF CREDIT**

In September of 2012, the Organization entered into a line of credit agreement with a financial institution. The line of credit's borrowing limit is \$100,000 and accrues interest at the prime rate (3.25% as of June 30, 2014 and 2013) plus 2% and is secured by substantially all of the assets of the Organization. The line of credit has no set expiration date. As of June 30, 2014 and 2013, the Organization did not carry a balance on this line of credit.

**NOTE 7 – COMMITMENTS AND CONTINGENCIES**

Litigation

From time to time, the Organization is involved in certain legal proceedings and claims which arise in the normal course of business. Management does not believe that the outcome of these matters will have a material effect on the Organization’s statements of financial position or activities.

**NOTE 8 – SUBSEQUENT EVENTS**

Subsequent events have been evaluated through October 25, 2014, which is the date the financial statements were available to be issued.
